There's a local theatre and cinema. The Donyngs Leisure Centre offers fitness classes, a gym and squash courts. You'll also have an excellent choice of restaurants, takeaways, cafés and pubs nearby.

This is a part of the world with much to explore and the Surrey Hills are great to visit any season of the year. Reigate Caves is a great day out. So is Gatton Park with its historic garden. Or take a stroll around Buckland Park Lake, followed by a leisurely lunch in the Reverie.

Living so close to the Brighton Road it's easy to get to the South Coast for the day, whether you fancy exploring the Lanes at Brighton, taking in the view from the pier at Eastbourne or immersing yourself in all the action at Goodwood. Or head up to London and enjoy a night out on the town, with plenty of time to catch the last train home.

You're connected to everything that matters

From Redhill station you can be in London Victoria in under 40 minutes. There are also direct services to London Bridge and Blackfriars, as well as destinations beyond London and across Surrey.

The A23, M23 and M25 are all within easy reach, giving you quick access to the national motorway network. Gatwick is handy for when you're travelling further afield and Heathrow is also a straightforward journey with motorway almost door to door. The nearby M25 connects you with the Channel Tunnel (via the M20) and ferry services from Portsmouth and Southampton (via the M3).

Yet maybe the best form of transport is to get on your bike and head for the Surrey Hills where you can follow the breathtakingly beautiful, tree lined cycle routes made famous by the 2012 games.

Shared Ownership Explained

Your essential guide to all things Shared Ownership with Legal & General

Shared Ownership could be your step onto the property ladder. This home ownership scheme allows you to buy a share in your home and rent the remaining share. Over time, you can buy more shares in your home until you own the full 100%.

How does Shared Ownership work?

The Shared Ownership scheme is simple, you buy an initial share of 25% (depending on the development) of the home's full value and pay a subsidised rent on the remainder. You may purchase further shares (up to 100%) as your circumstances change.

Your annual rent is charged at 2.75% of the residual value of your home, which is reviewed annually each April. This is capped at RPI (Retail Price Index) from September of the previous year + 0.5%.

Am I eligible for Shared Ownership?

If you earn or have a household income up to a maximum of £80,000 (or £90,000 in London) per annum, you could be eligible. You can also use Shared Ownership to buy alone or with another person as long as your joint incomes don't exceed the maximum earnings bracket.

Some developments have eligibility or prioritisation requirements around where you live and/or work. Please speak to our Sales Consultant for further information.

What other charges will be payable?

Your home will be subject to a management fee - this is a fee payable monthly to cover the administrative costs of Legal & General Affordable Homes and our Management Provider. All homes pay a Service Charge

which contributes to the maintenance of the building and communal areas, lifts, cleaning, electricity, buildings insurance etc. Full details of the breakdown of these fees is available.

Can I buy additional shares in the property?

Yes you can. This is known as 'staircasing'. When you buy more shares in your home, your home is re-valued and you buy shares at the current market value, at the time you are buying the shares. You can staircase up to 100% ownership.

Is it cheaper than renting?

Shared Ownership can be cheaper than renting privately as the mortgage cost and low rent usually add up to less than the equivalent rental payments to a landlord.

What if I already have a home?

If you already own a property you would need to have confirmed the sale of your home when you apply to buy via Shared Ownership.

Your application would be assessed based on your housing need for you to be considered for Shared Ownership.

Will I need a deposit?

Yes you still need a deposit, but only on the percentage of the property you are buying. Mortgage deposits are typically 5% or 10% of the share value.

A step by step guide to owning your own home

Find a Legal & General Shared Ownership property you'd like to buy and follow our step by step guide to turn your home-buying dreams into reality.

People come first. It's been the Legal & General way for almost 200 years.

Legal & General began in a coffee house on London's Chancery Lane back in 1836. Almost 200 years later we are investing in new homes for all ages, social groups and housing tenures.

The shortage of housing in the UK, and high deposits required to buy a property outright, mean many people can't afford a new home. Our mission is to better people's lives by offering opportunities to those who need a helping hand. Whether it's a first-time buyer, young couple or growing family, it's important that everyone has a safe and secure space to call their own.

Our mission is to become the leading private affordable housing provider in the UK and to make a positive difference to the affordable housing sector. As a company, we have never stopped moving forward, but our position of being a byword for reliability, integrity and trust, is one we will never move from. That's why our key principles underpin everything we do:

Quality We aim to bring you the best possible experience in every aspect of your new home. That's in location, design, finishes, environment and, above all, value.

Customer Service We're committed to providing first-class customer service, from the moment you arrive to when you open the door of your new home.

Sustainability We work to minimise the environmental impact of what we do. That means reducing carbon emissions, using renewable materials and following sustainable design and building processes.
