A new home... a new way of living

Get on the property ladder in a beautiful new community where all homes are Net Zero Carbon.

Discover your perfect home

Hart Grove provides a unique opportunity to own a beautifully designed, eco-friendly new home.

This biodiverse new community of 2 and 3 bedroom houses feature an abundance of green spaces, including a children's play area and a small wooded area to the south of the development, providing the perfect place to unwind.

Each home at Hart Grove is designed to be energy-efficient, with all homes rated EPC A and designed to meet Net Zero Carbon (regulated) energy, so that you can enjoy lower energy bills and year-round comfort. Built to a high specification throughout, each home also features integrated rooftop solar panels, an electric vehicle charging point, a turfed rear garden and two parking spaces as standard.

The architects of Hart Grove have delivered an engaging street scene through the use of varied brick stock, intricate brick detailing, and stone cills, successfully blending traditional materials with a modern aesthetic.

2 AND 3 BEDROOM HOUSES

3 BEDROOM HOUSE

3 BEDROOM HOUSE

Get to know your new home

Hart Grove represents one of L&G's most ambitious sustainable projects.

These houses are meticulously designed to achieve high energy efficiency while maintaining practicality, with the goal of attaining Net Zero Carbon standards. Residents will enjoy comfortable, future-ready, energy-efficient homes.

Embracing renewable energy

Every home is fitted with rooftop solar panels to maximise solar energy. A PV diverter will store energy in the hot water cylinder before exporting any excess energy to the grid.

Air Source Heat Pumps

Each home has an ASHP which provides both heating in the colder months and hot water year-round, all while using a small amount of electricity.

Electric vehicle charging

Each home comes with its own dedicated EV charging point.

Underfloor heating

Each home comes with underfloor heating to the ground floor. This provides even heat distribution and more space for your furniture.

Low heat demand

High levels of fabric insulation, ensuring very low heat demand and reduced energy costs.

Waste water heat recovery

Extract heat from the water from your bath to preheat fresh water, saving energy and costs.

Net zero

100% Net Zero Carbon (regulated) energy.

Responsible sourcing

PFEC-certified timber structure from replenishable sources.

Ozone depletion

The mineral wool insulation in your walls is 'Zero Ozone Depletion', lowering the Global Warming potential.

Learn about Net Zero Carbon Regulated and Non Regulated

Energy consumption can be categorised into two routes: regulated and unregulated.

Regulated energy pertains to aspects that Legal & General can control, such as heating, lighting, hot water, and ventilation systems to maintain a healthy home environment. Conversely, Unregulated Energy depends on resident usage, ie the number of electronic gadgets used and the frequency and duration of their usage.

Discover Thundersley...

Nestled in the heart of Essex, Thundersley offers a perfect blend of suburban comfort and easy access to nature.

With a strong sense of community, this charming area offers all the essentials nearby, including local shops, schools, and excellent transport links.

Whether you're enjoying the peaceful green spaces or exploring the nearby countryside, Thundersley strikes the ideal balance between modern amenities and a relaxed, nature-filled lifestyle. It's the perfect place to call home for those seeking both tranquility and connection.

BRAESIDE EQUESTRIAN CENTRE

THUNDERSLEY GREAT COMMON

Explore your new surroundings

Thundersley is ideally located for those who appreciate both outdoor adventure and cultural exploration.

Just a stone's throw away, Hadleigh Park offers the famous Olympic Trails, perfect for cycling, hiking, and enjoying stunning views.

The nearby market town of Rayleigh is home to a vibrant high street, bustling with independent shops, cafes, and restaurants. For those who love the coast, Bell Wharf Beach provides a scenic spot to relax and unwind by the sea.

Additionally, the historic town of Leigh-on-Sea, with its rich maritime heritage, offers picturesque waterfront views and a lively arts scene, making Thundersley the perfect base to explore a variety of attractions.

RAYLEIGH

HADLEIGH CASTLE

Quality learning around the corner

Education is at the heart of the community, with excellent schools and enriching opportunities at every stage.

From early years settings to primary and secondary schools, every child can benefit from high-quality education.

Surround yourself with nature

Hart Grove has an abundance of parks, woodland, and open green space all within a short distance.

Thundersley offers plenty of opportunities to enjoy nature and the outdoors. Besides Hadleigh Castle, Hadleigh Country Park offers expansive green spaces that are perfect for walking, cycling, and birdwatching, making it an ideal spot for nature lovers. The nearby Thames Estuary also offers stunning scenic views, with its tranquil environment making it perfect for photographers and those seeking to appreciate the natural beauty of the coast.

Whether you're enjoying a peaceful stroll, cycling through the park, or capturing the landscape, Thundersley is surrounded by natural areas that provide a great escape into the outdoors.

A step-by-step guide to owning your own home

Find a L&G Shared Ownership property you'd like to buy and follow our step-by-step guide to turn your home-buying dreams into reality.

[CLICK HERE TO FIND OUT MORE](#)

Your step onto the property ladder

This home ownership scheme allows you to buy an initial share in your home and rent the remaining share. Over time you can then buy more shares in your home until you own the full 100%.

About Shared Ownership

Q: How does Shared Ownership work?

At Hart Grove, you can buy an initial share of between 40% and 75% of the home's full market value. Your deposit and mortgage repayments are based on the share of the home you own, and you'll pay a subsidised rent on the remaining share that you don't own.

Over time, should your financial circumstances change, you may choose to purchase further shares, taking your ownership to 100%.

Q: Will I need a deposit?

With Shared Ownership properties, a deposit is still necessary, typically starting at just 5%–10%. Since you're buying a portion of the property, your deposit is typically lower than when compared to the open market, making it more affordable.

Breakdown example of buying a new home at Hart Grove

For full details around costs, please speak to one of our Sales Consultants.

FAQs

Q: How do I know what percentage I can purchase?

At Hart Grove, you can own any share from 40% to 75% of the initial purchase price. You will be asked to speak to a mortgage broker to assess what share you can buy that is both affordable and sustainable.

Q: What if I already have a home?

If you already own a property you would need to have confirmed the sale of your home when you apply to buy via Shared Ownership. Your application would be assessed based on your housing need for you to be considered for Shared Ownership.

Q: Can I buy a property on my own?

If you earn or have a household income up to a maximum of £80,000 per annum, you could be eligible. You can also use Shared Ownership to buy alone or with another person as long as your joint incomes don't exceed the maximum earnings bracket.

Q: How will I pay my rent?

Legal & General has appointed a Management Provider, CHP, to manage your rental account and will collect the rent on our behalf. They will be in touch with more information nearer the time of completion.

Q: Is it cheaper than renting?

Shared Ownership can be cheaper than renting privately as the mortgage cost and low rent usually add up to less than the equivalent rental payments to a landlord.

Q: Can I buy additional shares in the property?

Yes you can. This is known as 'staircasing'. You can staircase in annual 1% increments during the first 15 years of your lease, this is calculated based on the initial purchase price adjusted in line with HPI (House Price Index), or you can staircase in larger proportions (over 5%) with a RICS valuation. You can staircase to 100% ownership.

Q: Can I rent out my property?

You cannot grant an assured shorthold tenancy on a Shared Ownership property. If you want to get a lodger you can, however, you need to be able to afford to purchase the home without any assistance.

Q: How is the rent calculated?

Your annual rent is charged at 2.75% of the residual value of your home, which is reviewed annually each April. This is capped at RPI (Retail Price Index) from September of the previous year + 1%.

Our Sales Consultant and your mortgage broker can give you further details based on your specific circumstances.

Q: Can I decorate and make improvements to my home?

Yes, you don't need our permission for decorating or simple repairs, however, you would need to get permission for larger works to ensure it does not affect the structure of the building or buildings insurance.

Q: What is the length of the lease?

The lease is 990 years.

Q: Will I have to pay Stamp Duty?

When you buy a share in one of our homes you will have to pay a Stamp Duty Land Tax (SDLT). We advise you consult your solicitor as to the amount payable at the point of your legal completion.

There are two ways to pay on a newly built (new lease) property. Making a one-off payment based on the total market value of the property or paying any SDLT due in stages. If you decide to make a one-off payment upfront this is known as making a 'market value election'. If you choose to pay SDLT in stages then you pay SDLT on the initial purchase amount. Should you choose to pay SDLT in stages, you will not have to make any further payments until you own more than an 80% share of the property.

Q: What if I want to sell my property?

When you want to sell your Shared Ownership home, Legal & General Affordable Homes has a time period specified within your lease to offer the property to another eligible shared owner. If we are unable to source a suitable purchaser in this time, you can put the property on the open market.

Q: Are there other costs involved?

Some other costs to consider:

Estate charges

An estate charge is payable by all homes on the development to maintain roads, lighting, and landscaped and communal spaces.

Management fees

Legal & General Affordable Homes appoint a Management Provider to manage your home and rental account on our behalf. CHP will be in contact shortly after you move in to introduce themselves.

Solicitor fees

You must appoint a solicitor before you can apply for a mortgage, and it is importance to check they are approved to work for your mortgage lender. Fees are usually based on a fixed cost basis.

Broker fees

A mortgage broker will charge a fee for their services, and this can vary from a fixed amount to a percentage of the purchase price. Your broker should explain what fees are charged before they undertake any work on your behalf.

Other fees

You may incur other costs throughout the moving process, for example, removal costs. These can vary and it's worth speaking to a few companies to obtain quotes.

Your Sales Consultant will provide you with the costs for the estate charges and your solicitor will be provided with the breakdown of what the costs cover.

Don't just take our word for it...

Here's what some of our customers have to say about living in one of our Shared Ownership homes.

Arati and Prashan

“As soon as we walked in, we could see ourselves living here and it felt like home. We have wanted to live here for a while and with Shared Ownership it made it possible. We found the team amazing, they were super helpful, knowledgeable and actually listened to us. So far, it has been the best journey with Legal & General Affordable Homes.”

Tracey

“First impressions were fantastic. Brand new carpets inside were fresh and clean. Really, really good size, the hallway is a lovely open space. Kitchen kitted out and bathrooms as well.”

Hono

“Shared Ownership helped me own a property in an area I love. The amount I was paying for rent was the same as I am now paying for Shared Ownership for a home that I love. The space and location are great and Shared Ownership made it possible to live in this area.”

Jamie and Jodie

“What stood out most about Shared Ownership was that it made something that was starting to seem quite impossible, very possible. If it wasn't for this scheme, we would have had to save for years for a deposit.”

Ben and Lilia

“When we spoke to the lovely sales team at L&G, we found out very quickly that Shared Ownership was something we did desire and that we could afford. If we were to privately rent in this area, it would be around £300 - £500 more than we are paying with Shared Ownership.”

About us.

People come first.

That's been the Legal & General way for almost 200 years.

Legal & General was founded in 1836 by six lawyers in a coffee shop on London's Chancery Lane. Nearly two centuries later, we are investing in new homes for all ages, social groups and home ownership structures.

The shortage of housing in the UK and the high deposits required to buy a property outright mean that home ownership is out of reach for many people. Our mission is to improve everybody's

chances to become a homeowner. Whether it's a first-time buyer, young couple or growing family, we believe that everyone deserves a safe and secure space to call their own.
